Stay connected to WiFi.DisclaimerNot official application just the fan for Slitherio game. This app has been updated by Apple to use the latest Apple signing certificate. J ust sayin’, the first page I opened on the app I say made me delete the app. I don’t think this app should be for 4+. Indeed! This is the best Guide among others on the Appstore! It is beautiful, well designed and and there are lot’s of valuable information!And no idiot pop-up ads at all! Cool! Just cool! Professionally made game, easy to understand and use. I’ve been waiting for something like this app. Incredibly useful and well-designed app with great UI/UX! Thanks:) The developer, Viacheslav Fonderkin, has not provided details about its privacy practices and handling of data to Apple. The developer will be required to provide privacy details when they submit their next app update. In the multi-universe gamer there are some classics that always find a way to reinvent themselves.
