Because of what has become true 4.0 - all other VERSIONS are NOT SUPPORT. Fly the Omni-Directional Mobility Gear while you fight Titans! Experience the immense history of the anime along with Eren and his companions, as they fight to save humanity from the threat of deadly human devouring Titans. Try your hand in operating the gear of omnidirectional mobility, maneuvering and flying through the sky to counter the Titans, and feel the emotion and satisfaction of fighting giant opponents. The latest title of the "Attack on Titan" series is available for Android! Players engage in battle in the world of "Attacking on Titan" from the perspective of a single soldier. Try the most extreme and evolved action of Titan-hunting again! The thrill of hunting Titans with Omnidirectional Mobility Marching action The thrill of climbing freely through the skies was brought to the next level! We included moves that allow you to immediately close on remote Titans and cut them with "Sneak Attacks", quickly circle behind Titans and face large amounts of damage with "Hook Drive" attacks, and more. Perform the omnidirectional action of mobility that is rich in variety. Waiting for horror, the bloody TitansTitans are after you! The movements and reactions of the Titans are more threatening than ever when they affect the player, but the situation is at its most serious when entering "dangerous zones". Load, fly up, and repeatedly unleash powerful attacks on awith suspense. Using the story of the second season of the anime as a base, we have prepared an original sub-story for the game under the supervision of the author Hajime Isayama. Enjoy the world of "Attach on Titan" with an even greater volume of content than the previous title. In addition, the story that takes place in front of you, an original main character, will make you feel like you lived and breathed in the world itself. An expanded roster of playable characters The number of characters has been increased from 10 to 37! Enjoy going into battle with an original character made at your liking. Interact with the characters to strengthen their bond with your original character In the sections of Daily Life, the characters will appear in their simple clothes and show you the sides of themselves, normally you cannot see. By interacting with such characters and strengthening your ties with them, they will support your original character through "Mud Actions", and you will be able to experience the lateral stories of each character.
