Biometric screening form

Get screened at a Be Well SHBP Sponsored screening event. LEARN HOW If you prefer, you can work directly with your physician. LEARN HOW Complete your biometric screening by visiting a Quest Diagnostic PSC near you. LEARN HOW Review the requirements to hold an onsite screening at your location. Learn How A biometric screening will help you to understand the state of your health so that you can take the necessary steps to improve it. During the screening, a medical professional will collect several measurements — such as height and weight — and take a sample of your blood that will be used to determine your cholesterol, glucose levels and triglycerides. The biometric screening does not test for illicit drugs, HIV/AIDS, or hepatitis. Individual screening results are not shared with your employer. KEY DATES Be Well SHBP Sponsored screening events can be scheduled for worksites throughout the State of Georgia between June and November 2021. If you choose to go to your physician, the 2021 Physician Screening Form must be signed, dated and received by Sharecare no later than November 30th, 2021 to qualify towards the well-being incentive points. HOW YOU BENEFIT: You will see your screening results in your Health Profile on the Sharecare app or desktop companion You get a detailed explanation of what your numbers may mean and the healthy target ranges You learn about areas for improvement and recommendations, if needed You can get your biometric screening either onsite by attending a Be Well SHBP sponsored screening event, at a Quest PSC, or by your personal Physician. Find out more about these three options below. Here is how you can make sure to have a successful screening experience: Although not required, we recommend fasting for at least nine (9) hours prior to your screening; this includes all food and drinks except for water. Failure to properly fast may result in inaccurate blood test results. (If you have a health condition, such as diabetes or pregnancy, or any other medical concerns, consult a doctor before fasting). Drink plenty of water to make it easier to give a sample of your blood. Continue taking medications as prescribed the day of the screening,* Arrive 5 minutes before your scheduled time. Allow about 15 minutes for your screening. *Follow your doctor's instructions for taking your medications, including taking them with food if necessary. SHBP-sponsored Screening Events are held at different worksite locations throughout the State of Georgia from June 2021 through November 2021. Click below to schedule your appointment. To locate an Be Well SHBP Sponsored screening appointment up to 48 hours before the event date. For step-by-step instructions on how to schedule your screening appointment click the link below.
