Direct download via magnet link. (This is a reference to both Human Centipede I and II.) Whether or not you enjoy these movies, Tom Six is a directorial genius. In just two movies, Six has managed to encompass two grand extremes of the horror genre. In The Human Centipede (First Sequence), Six gave us a disturbing yet comedic film, very cleanly shot with a campy, madman of a. During a stopover in Germany in the middle of a carefree road trip through Europe, two American girls find themselves alone at night when their car breaks down in the woods. Searching for help at a nearby villa, they are wooed into the clutches of a deranged retired surgeon who explains his mad scientific vision to his captives' utter horror. They are to be the subjects of his sick lifetime fantasy: to be the first to connect people, one to the next, and in doing so bring to life "the human centipede." AwardsSee production, box office, & company infoTwo pretty but ditsy American girls are on a road trip through Europe. In Germany, they end up alone at night with a broken car in the woods. They search for help and find an isolated villa. The next day, they awaken to find themselves trapped in a terrifying makeshift basement hospital along with a Japanese man. An older German man identifies himself as a retired surgeon specialized in separating Siamese twins. However, his three "patients" are not about to be separated but joined together in a horrific operation. He plans to be the first person to connect people via their gastric systems. By doing so, he plans to bring to life his sick lifetime fantasy, the human centipede. —Producer Ilona Sixmad scientistsurgeryvictimkidnappingswimming pool164 moreWhat is the Hindi language plot outline for The Human Centipede (First Sequence) (2009)? AwardsSee production, box office, & company infoMartin is a mentally disturbed loner who lives with his mother in a bleak housing project. He works the night shift as a security guard in an equally grim and foreboding underground parking complex. To escape his dreary existence, Martin loses himself in the fantasy world of the cult horror film The Human Centipede (First Sequence) (2009), fetishizing the meticulous surgical skills of the gifted Dr. Heiter, whose knowledge of the human gastrointestinal system inspires Martin to attempt the unthinkable. —six entertainment companyevilpsychopathmutefecesexcrement eating191 moreWhat is the French language plot outline for The Human Centipede II (Full Sequence) (2011)?AnswerPlease enable browser cookies to use this feature.
