Church letter for financial assistance

"I'd like to see you on my way to Spain, and be helped by you to go there." - Romans 15:24, good news Translation are you have to raise funds to go to a short-term mission? How to write support letters: use one of these letters as a guideline or model to create your mission fund collection letter. These are good examples of how to make financial support known. Most do a good job to promote the ministry rather than grow money into the main problem. Example of support letter: Asian prayer trip Dear friends and family, can you imagine a land where cows are holy, animal sacrifices are a weekly event and human cremations take place daily? I want to share with you a challenging opportunity of ministry that God presented me. During 28 March - 10 April, he went to Bangkok and Nepal with a team from the first Christian Church. Our two-week trip will concentrate on Indu and Buddhist cultures in this area of the world that is often called "the heart of darkness". The purpose of our journey is quadruple: first, it will be allowing God of work in our lives through personal enrichment that comes from this type of a trip.Second mission, this trip prayer will help us concentrate our prayers Individual from a trip to a foreign land and pray "on site with intuition". We will pray for indu and Buddhist people that God can open eyes and hearts to Jesus's message. Thirdly, we will visit a "group of people not reached" of which less than 1% is a Christian. The first Christian Church adopted the group of people of Newar and is helping to bring them the Gospel. We will work with some Newar churches to help them grow in their Christian walk. We do, we will encourage local Christians in Bangkok and Kathmandu. Our presence will strengthen their spirits and support their work. We will visit many small villages in Nepal where we will develop relationships with Christians there. I am enthusiastic about the opportunity and experience that are forward. I hope you see the value in what we will make. As you can imagine, a journey like this requires financial support from a number of people. I need to collect \$ 3,000 by March 20th. If you can support me in a financial way, I would be very grateful. And above all, I also need your prayer support. Prayer is the fuel that will allow us to succeed while we follow the guidance of God in the ministry in these countries. Without prayer, nothing will happen. If you wish to be part of this mission through your financial support, send a check to: [Enter the address of the Church here] The envelopes are enclosed for your convenience. Please make your check to pay for [Enter the name of the Church here] and write "Nepal" and my name on the memo line. All contributions are deductible from taxes. While the money is important, I am later at my need for your prayer support. Since prayer support is so important for the success of this mission, I would like to know if I can count on you in that area. Attachment is a bookmark that you can enter into your Bible, on your bathroom mirror, on the "refrigerator", or in any other part you will see it at least once a day. Please pray every day for the listed areas. Á, Á, Á, Á, ä, because they have not heard of, Á, Á, Á, Á, ä, (signed) example support letter: the nursing student's journey in Guatemala dear family and friends, greetings Him! I pray that this letter is well your family. Now I'm in my fourth and last year of nursing school. The Lord was so faithful! He is doing wonderful things and I know he will continue to be faithful to finish the Work that started in me, especially this last year. While I finish my workout, God gave me the opportunity to go to Guatemala not only for further my education, but also to join him in his work there. On 4 January, he would leave on a medical mission trip to the central highlands of Guatemala for 10 days. Not so long ago, Guatemala was involved in a civil war. civil. Of children were orphans as a result. The purpose of this mission trip is to provide medical care to these orphaned children, most of which have never seen a doctor. We expect treatment from 450 to 500 children. The treatment will include a complete physical treatment for intestinal parasites and head lice (all visa children will be treated for these two conditions), vitamin K, immunization and treatment of any other condition within the medical team's capacity. A doctor and a dentist will be part of the mission team. They are both missionaries in Guatemala. The rest of the team will be nurse and nursing students. The journey was financed entirely through donations and from those who go to the mission journey. Everything that will be used for the journey should be taken with us. This includes all medical supplies, medicines, syringes, bandages, etc. Donations of medical supplies, books, shoes, etc. Fund crops are held by those traveling. Every hundredth harvest will be used for benefit directly from the children of Guatemala. Any unused supplies will be left with missionaries. I am enthusiastic about the opportunity to serve and the minister, and I ask you to join me in the ministry. I'm looking for your support and your prayers for this mission trip. If you are able to help with this trip, I would ask you to forward any donation for me with the check or the postal order to be paid to "MNU Guatemala Mission Trip". An accounting of all the funds will be available if you wish to see it, on our return from Guatemala. I thank you in advance for your prayers and your financial support. May God bless you richly! Its therefore yours, example of example support: long-term summer trip to Mexico dear [name] I have an opportunity this summer, June 2-9, to join the churches around the Dallas / ft. It is worth the metroplex And through the US In a mission to Juarez, Mexico. During our journey we will be in possession of biblical schools for the children of Juarez and work on some sites of the Church throughout the city. What opportunities we are coming to the Minister of others! I am enthusiastic about what God will do in my life and in the lives of others through this Ministry this summer. However, I need your help. Fly to El Paso and then we would like busing on the border with Juarez. You will need to collect around \$ 500 before June 2nd. All you can do to help. It will be very appreciated. Please be part of this fantastic opportunity, especially in terms of prayer for us. I know you too will be blessed if he collaborates with me. Thank you and God bless in Christ, Example of support letter: Southeast Asia Mission Mission Dear friends and family, good news! God raised me an uncomfortable and sometimes difficult task. . . Ask for money. But God challenged me with an opportunity of the Ministry in Bangkok, Thailand and Kathmandu, Nepal. I imagine you can call me a "missionary", even if not in the traditional sense of giving up comfortable life here to disappear in a remote jungle for 10 or 20 years. Mine will be a short-term trip with a team of the first Christian church from March 28th to 10th April 10. Our two-week trip will concentrate on Indu and Buddhist cultures in an area of the world that is often called "the heart of Darkness ", where the adoration of the Idol is a daily routine and animal sacrifices are part of the ritual. The purpose of our journey is quadruple: first, we will allow God to work in our lives through exposure and change the perspective that comes from this type of a mission trip. Secondly, this is a "prayer trip" that will help us to concentrate our individual prayers traveling to foreign lands for "On site with intuition". We will pray for the Indu and Buddhist people that God can open eyes and hearts to Jesus's message. Tire, we will visit a "group of people not reached" that less than 1% is a Christian. The first Christian church adopted black people in Bhaktapur, Bhaktapur, To help bring the Gospel to them. We will work with a number of Newar churches to help them grow in depth in their Christian walk. By beating, we will encourage local Christians to Bangkok and Kathmandu. Our presence will support their spirits and support their work to spread the Word of God. We will visit many small villages in Nepal where we will develop relations with Christians there. We are enthusiastic about the opportunity and experience that is in advance and I hope you see the value in the work we will achieve. As you can imagine, funding for a trip like this require financial support from a number of people. I need to collect \$ 3,000 by March 20th. Now, why did we say that God has raised me of this fundraising effort? Simply because I know I can leave that task in his hands. It's my job to go, and let you know that I'm going, so that if you would like to support this financial mission you have the opportunity to do so. When it comes to missions, people can be active in three categories: "Mobilizers" - These are the people who build fire in their local Church, maintaining others informed of needs and opportunities, and helping them to be involved. "Goer". These are those who feel called to spend time in another culture, to live a different kind of life and the minister faces with the unsaved. "Mivers" - It is difficult to say that one of these three groups is more important than any other, but without the "senders" does not happen much. They provide funds - and even more important - prayer support. Prayer is the fuel that will allow us to succeed while we follow the guidance of God in the ministry in these foreign countries. Without prayer nothing will happen. As I said - in front of him, God lifted me the fund's collecting responsibilities, my job is just to let you know about this opportunity. Maybe you didn't think about yourself as part of a "team of missions", but if you want to become one of the important "senders", you can send a check to: [enter the address of the church here] the envelopes are attached for yours convenience. If you make your check to pay at the first Christian Church, it will be deductible from taxes. Make sure you write "Nepal" and my name on the memo line. If you can't be a "sender" financially, it's okay, but we ask you to be a "sender" in prayer. In fact, prayer support is so important for the success of this mission, I would like to know if I can count on you in that area. Attachment is a bookmark that you can enter into your Bible, on your bathroom mirror, on the "refrigerator", or in any other part you will see it at least once a day. Please pray every day for the listed areas. We will go there to help our missionaries. Nate and Kim Smith doctors reach the Kijabe Medical Center. Some team members will help the implementation by forming Kijabe's staff in areas of their medical specialties. All the financial needs of the trip (around \$ 2000 / person) will be satisfied in a timely manner. God would keep us safe. All our passports and other documents may be processed in time. The group would work well together. We would like to encourage our missionaries, Nate and Kim Smith and others that we have contact. We would like to encourage Kenya's Church. God would have prepared the hearts of those who feel in the Crusade in Oljoral, and during the evangelistic meetings and contacts in Kijabe. Thank you for your prayers and support! Letter of support Love, Example: mission trip to Italy Note How Sarah has customized its fundraising letter. Take a look at how you delineate her dreams and her hopes of her for this mission trip in a vision-fusion way. Dear family and friends, I hope the new year is dealing well. I just started the second half of my junior school year for nurses at Southern Nazarene University. This year it was very exciting with my involvement as a Resident Advisor in one of the girls dorms. Although I am busy, I'm learning many new things from the girls on the floor of mine, from my patients to the hospital, and from the campus professors. Last semester was wonderful, but I look forward to the adventures of this new year. In fact, I came across the opportunity to go to a mission trip this May. Commission Unto Italia is a two weeks of work and travel witness to Catania, Italy. The opportunity I have to go to this journey keep a great meaning for me. My father worked on this site the summer before the unexpected death of him. My dream was to return to the church where my father ministry. On this journey, our team will work on the property of the Church, making a sensitization for local children, who participate in religious functions, and help to found a church in the city of Palermo. For this trip to be possible, I am responsible for collecting \$ 1,800 this cost comprises transport, accommodation, board, insurance, and project materials. Our goal is to collect the money needed to go to Italy through sponsorship. If you want to be willing to help sponsor financially, I have included a self-envelope addressed stamped for your convenience. Every donation will be very appreciated. If you want to give through a check, make it entered to "Church of the Nazarene" and I run through my local church so that you can expect that on the tax return. As important as the financial aspect is, I appreciate your prayers even more - not only for me personally, but for the Ministry of our team in Catania. This is the chance of a life, and I feel very lucky to be able to participate. Thank you for helping us make it possible. In him, Sarah example support letter: mission trip to Africa Second letter sent to those on the support mailing list as Metà report Wednesday 1 May praise the Lord! He made great things! These last few months have been a growth experience for me. The Lord himself showed me in powerful ways. When I made the decision to send letters to relatives and friends who ask for prayer and financial support for a summer on a mission field, I wondered how God would have chosen to touch the heart of each of you, the people I have Messi on my support list. I would feel led to give financially financially Pray, or participate in both? I knew that only time would have told him. Only a week after sending my letters, I received three checks in the mail. In the coming weeks, I received many other answers containing both financial and prayer commitments. Every day I couldn't wait to run to university junctions to control my mailbox. The excitement to see an answer excited me and does it again. In a short period of time I received \$ 1,350. I started to see the loyalty of God working. I had prayer commitments for security, health, for adaptation, for spiritual growth, and so many more. What encouragement to know that people around the world were praying for me! Just last week I received \$ 1,475! This means that now I have only \$ 672 on the left to collect before May 15th 15. Pay the Lord! School for nurses has been challenging this semester. However, I took time to meet a small group of three other girls every week for spiritual communion and to pray for this summer. I saw the loyalty of God who works through each of their lives. To prepare for overseas trips I had to face many details. I received the renewed passport and even received an international driving license. Next week I go to the State Health Department to get my fever yellow vaccine. As my date of departure is approaching, I'm becoming more and more excited! I am enthusiastic to meet my teammates, savor new foods, learn or try to learn a new language - French - and hopefully see wild animals when I arrive in Africa. And of course, I am excited to be able to minister and to be ministered by the people of the Ivory Coast. Please pray for my team and for me. I enclosed a photographic card to make you publish as a reminder to pray. I will send an update both in July or on my return. So keep your eyes for something special.
