## Writing a letter of introduction for a job

How do you write a letter of introduction for a job. Writing a letter of introduction for a teaching job. How to write a letter of introduction for employment

Esheya has some new ideas on how to succeed in Nigeria, or anywhere else. The piece of paper on which to write your application letter will be the only ambassador that represents you in your potential employer. This piece of paper must present you in your potential employer. the letters of application that receives in response to its advertising. These are the applications to which you will grant an interview. Your letter must be good to take you to that Ä, Ä Ä «List of timesÄ». Suggestive that the selection of staff is a commander who takes time for the employer. If each interview lasts about 45 minutes, you will have to spend a whole job only interviewing 12 candidates. Not very surprised that you will keep your own as short as possible. That's why your letter must be effective. Non humble in your letter must be effective. employer will expect to work hard and give your best, so telling him so in advance, you don't impress. It is looking for personality and intelligence, and the person willing and intelligence in this way. He takes you to look for a job as sales manager. Let's examine a typical printing of the press for this work. Examination jobs The Super Tex Plastic company has offers offered for: Sales management to our expansion program, we are looking for young people with at least one B.SC or HND in marketing, preferably with marketing some experience in plastics, for Work out as sales management to our expansion program, we are looking for young people with at least one B.SC or HND in marketing, preferably with marketing some experience in plastics, for Work out as sales management to our expansion program, we are looking for young people with at least one B.SC or HND in marketing, preferably with marketing some experience in plastics, for Work out as sales management to our expansion program, we are looking for young people with at least one B.SC or HND in marketing some experience in plastics, for Work out as sales management to our expansion program, we are looking for young people with at least one B.SC or HND in marketing some experience in plastics, for Work out as sales management to our expansion program, we are looking for young people with at least one B.SC or HND in marketing some experience in plastics, for Work out as sales management to our expansion program, we are looking for young people with at least one B.SC or HND in marketing some experience in plastics, for Work out as sales management to our expansion program and the program of the program south-south geopolitical area of the country. A company owned machine will be provided. Applications, only in writing, A: The GENERAL MANAGESUPER-TEX7 Plastic Society Old Market Road, LagoSnot later two weeks from the date of this publication. A set of factsfor the purpose of the illustration, suppose for the applicant an identity, a background and some comparable commercial experience, leavening everything with some external interests. The facts can look like this: name of the applicant: Author esheyadate of birth: 2 August 19Å  $\phi$  â,  $\neg$  Å " Or "passes English language history, biology, crk, government, economics, English literature, mathematics and geography. Ebonyi State University, Abakaliki: BSC. Marketing (Superior Division of Second Class) occupation: Coca-Cola Bottling Company Ltd Ltd Unilever Nigerian PLC, Billing WayLagos as assistant to the commercial director PERSONAL INTEREST: chess, walks, readings and theatre. Before you write Author Esheya's nomination letter, I would like you to read a few letters that are typical nomination letter: Example 1I would like to refer you to your ad in this week's Daily Sun calling for the sales manager. I am 24 years old and I would be very grateful if you would consider me for this position. I was educated at Enugu State University of Science and Technology, and currently I am employed by a company in the metalworking industry, I have had experience of plastics even if only from office sales side. I push that this application is of interest to you and I look forward to your response. Yours faithfully, I wonder what you think of that letter. The app only said three things about him: His age Where he studied He is currently employed in the sales department of a metallurgical company and has some knowledge of plastics. No personality comes over and the employer has practically nothing to go over. Nothing like that, for example: What did the candidate do at school? Did he play any games? What did you do when you left school? How long have you been working with your current firm? In what capacity? What are your ambitions? Simply put, why do you think it should be taken into consideration? Typical job application letter: Example 2I am referring to your advertisement on the Daily Sun.I would like to take this opportunity to apply for the position of sales manager in your company. I have more than four years of experience with my current employers, whose business is the wholesale of any form of rubber for production and the retail outlet is located in northern Niger.I am 45 years married with a family, since there is no more progress in my current company, I hope your company offers better prospects than what I am able to get at present. He tells us:He is 45 years old; He is a family man; he spent four years with his current company, which deals with the sale of all forms of rubber; he gives a reason to want to change (there are no more prospects for him). Would you interview him? Typical job application letter: Example 3With reference to your advertisement on the Daily Sun for a sales manager, I would like to apply for the position. I'm 35 years old and I've been driving for eight years and I have a clean driver's license. I left school when I was 25 after getting a BSc. My first job was with a paper company as a sales person for three years, then I became assistant sales director of a plastic container company for four years. Merchants for 15 months. I wait for your first comfort. Your part faithfully. This man tells us a little more than the other two. We know: He is 35 years old who drove for eight years and has a license without approval.; He left school at 25 with a BSC in Business Administration; He has had experience in the sales department of three years and another for four years. Labor Letter of Labor: A Best Exam Let's Letter the Letter of the author Eshya whose personal details have previously outlined. Refer to your announcement in the literature, mathematics and geography. After leaving school at eighteen years old, I continued my studies at the Ebonyi State University, Abakaliki, and eventually got a BSC. Marketing. For the last six years I was engaged in the industrial sale, as a sales correspondence employee with the bottling company of the Ltd Coca-Cola Ltd, and lately as an assistant of the Unilever Nigeria PLC sales manager of Lagos. My duties put me in touch with customers by letter and phone. I am, therefore, trying to expand my knowledge and experience by taking the position of a sales manager with your company. My knowledge and experience by taking the position of a sales manager with your company. brewery industry when I entered five years ago, and at that moment, I feel I have acquired a considerable understanding of its processes and its marketing methods. With the training you offer, I am sure that you will get equal appreciation of the requirements of the plastic industry. Subside my business activities, I am a moderate class chess player and enjoy walking, reading and theater. I hope you will find me the opportunity of an interview. Your part faithfully, the qualification and experiences that Author Esheya was able to offer differ from those of the writers of the previous letters, I think you will agree, however, that he has rather better than them. She wrote an interesting letter, one who has some style about it. Above all, establishing everything that he has sufficient, he provided to the employer an employer a bit of the glimpse of the type of man who could be. This application letter should obtain the author esheya the interview of him. This article is accurate and faithful to the best of the author's knowledge. The content is for information or entertainment purposes only and does not replace personal advice or consultancy in business, financial, legal or technical matters. Yet.
