Naruto online mmorpg

News S1109 & S1151 Are coming! 2018.11.22 23:08:11 Thank you for your continued support of Naruto Online. We will open four new servers on 11/23/18 and invite all ninjas to join us on our Fire trip! News Return Event - Return to Konoha! 2018.11.22 22:35:11 Event Events - 22 November 2018.11.22 23:04:11 We would like to thank you all for your support! Below you can check out the next updates this week, which will come on 11/22/18! Please take a look below to check out the new events! News Survey on the feedback of events - November 22, 2018.11.22 23:05:11 As with previous threads Event Feedback, we will open another one for this week Events - November 22 suggestion and improvements idea towards our events are all welcomed. This is one of our most critical actions and a need for our community to grow, as it allows us to identify and improve our global content and events for all our players.> Naruto Online is a MMORPG action based on the famous anime Naruto Shippuden, with all the bright graphics, colorful characters, and fast action of martial arts you could hope from a game set in the Naruto universe! Experience the show as you explore this fantastic and beautiful world, know the characters and their stories, and really learn what it takes to be a ninja in the Naruto world. Fighting is fast and packed action, and victory depends on you knowing your strengths – and your limitations. Prepare to go to Konoha and live theNaruto Online Key Features Officially Licensed Naruto Game – Relive the story and meet the characters of the anime, and experience all the mystery, excitement, and fun for you! Living the world online – The wonderful animation invites you in, but the fact that this is a live and breathing world online will make you go back. Explore, fight, date friends from all over the world, and more! Choose your Ninja – With a cast of incredible characters to choose from, Naruto Online does not offer a shortage of choices for various styles of play. Each character has unique abilities, from Sakura Haruno Iron Ball Trap to Naruto Uzumaki Shadow Clone Barrage! Related: Action, Anime, Bandai Namco, Japan, MMORPG NARUTO ONLINE is a turn-based MMORPG browser-game that is set entirely in the NARUTO universe. The game is the first and only NARUTO online RPG to be officially authorized by BANDAI NAMCO ENTERTAINMENT. While the game faithfully follows the story portrayed in the anime series, NARUTO ONLINE is the only game where players can continue the story. In addition, five new characters will be presented representing the elements of the earth, water, fire, wind and lightning. Players can choose to become one of these characters and start a new adventure, gaining experience in a variety of different types of missions and game modes. CHARACTERISTICS Based entirely on NARUTO Anime Story Line | NARUTO ONLINE currently has 9 arches of Narutofor players to go through and explore, with all familiar locations like the Nascosto Village in the sand and the End Valley—the story will continue only in NARUTO ONLINE. Relive the key scenes of the series with the original vocal actors of person | Details such as the original voices of the characters and the in-game use of the scenes of the series will make NARUTO fans immediately familiar with the game, entering the world they know from the series. Establishing your Ninja Team Player can recruit their favorite ninjas and fight together with them. All ninjas are modeled after characters of the series so as to fit perfectly into the world of the game. Combo Fighting System | Match ninjas into your team, using the Naruto Bonds system that can greatly improve your team's fighting capabilities and manifests innovative combo. Game Mode | From Single Player Mode to Multi-player dungeons, Worldboss Giant Battlefields and Battlefields, the game features tons of ways to get EXP, get new items and equipment, improving your characters and their outfit on the road Ready to play immediately | No download required, users can create an account in less than a minute and start playing Naruto Online, the first officially sanctioned MMO launched and officially launched. The game includes characters from the original cast. Set in the Naruto universe, players can choose to become one of the five new characters representingelements. At the launch, players will be able to explore eight chapters from NARUTO and NARUTO Shippuden history, including all familiar locations such as the Nascosto Village in the sand and the Fine Valley. Features like the original voices of the characters and the in-game use of the scenes of the series will make NARUTO fans immediately familiar with the game, allowing them to interact with the environment they know so well. Players will be able to recruit their favorite ninjas and fight together with them, combining ninja through the NARUTO Bonds-system that can improve team fighting skills and unleash impressive combos.
